A Financial History of Western Europe. Revised and updated throughout, this brilliant survey of European financial history from the earliest times to the present by internationally renowned scholar and author Charles P. Kindleberger offers a comprehensive account of the evolution of money in Western Europe, bimetalism and the emergence of the gold standard, the banking systems of the Continent and the British Isles, and overviews of foreign investment, regional and global financial ...

A Financial History of Western Europe by Charles P. ...

The financial history of Europe encounters a marked discontinuity in 1914. The hundred years of relative peace before that watershed saw well-sustained growth, and steady development of financial institutions including the gold standard, joint-stock banking, monetary management and international lending on a world scale.

Introduction to Part Four | A Financial History of Western ...

I like this history a lot. It's very complete and readable, even by a non-expert like me. I was actually inspired to read about the history of finance in Europe by the fiction books by Neal Stephenson called The Baroque Cycle, which is in part about the invention of the modern financial system, along with Pirates.

Background. Financial centres are locations with a concentration of participants in banking, asset management, insurance or financial markets with venues and supporting services for these activities to take place. Participants can include financial intermediaries (such as banks and brokers), institutional investors (such as investment managers, pension funds, insurers, hedge funds), and ...

Financial centre - Wikipedia

In the face of rapidly changing technology, the Western Union Telegraph Co. was reorganized in 1988 as the Western Union Corp. to handle money transfers and related services. Parts of the company were sold to AT&T and GM Hughes Electronics Corp., among other buyers, and the company's name was changed to New Valley Corp. in 1991. The company entered bankruptcy proceedings in 1993 and shortly thereafter sold the last of its major holdings, Western Union Financial Services Inc., to First ...
