The American brand Maxum entered the market in 1987 and belonged to the giant in the field of shipbuilding - Brunswick Boat Group. From the first days of its foundation, the company was engaged in the production of boats for outdoor activities. At that time, there was a lot of competition in the segment of sports towing and fast boats, but the company was able to gain the trust of the audience ...

The Soviet Union, officially the Union of Soviet Socialist Republics (USSR), was a federal socialist state in Northern Eurasia that existed from 1922 to 1991. Nominally a union of multiple national Soviet republics, in practice its government and economy were highly centralized until its final years. It was a one-party state prior to 1990 governed by Communist Party of the Soviet Union, with ...

This is the Bernie Madoff pitch. It says 'you can motor around all day on the solar panels' (if you want to go at a snails pace). It shows the boat motoring on its 10kwh battery bank, using over 10 times the panel output. It doesn't tell you that the boat's battery bank is only good for about two hours at that rate, and then you have to wait a week to recharge the battery.
