Comanche Moon (2008) - Rotten Tomatoes

Comanche Moon does justice to the classic Lonesome Dove. I am not yet convinced if a newcomer to the Lonesome Dove series should watch this movie first, or the great original first and return to the prequel.

Comanche Moon Cast and Characters | TV Guide

Comanche Moon joins the twenty-year time line between Dead Man's Walk and Lonesome Dove, following beloved heroes Gus and Call and their comrades-in-arms - Deets, Jake Spoon, and Pea Eye Parker - in their bitter struggle to protect an advancing Western frontier against the defiant Comanches, courageously determined to defend their territory and their way of life.

Comanche Moon (Lonesome Dove Story, Book 2): McMurtry ...

Comanche Moon is the fourth and final entry in a franchise spun from Larry McMurtry's Pulitzer Prize winning western Lonesome Dove. Published in 1997, a tone of finality is absent due to the story taking place fifteen to twenty years before the events of McMurtry's magnum opus.

Comanche Moon was an incredible book. I stayed up almost to 2:30am at night reading it (although I try to go to bed semi-early on the weekends because it messes me up for the weeknights since I have to get up really early), but finally made myself put the book down and go to sleep.

Comanche Moon (Comanche, #1) by Catherine Anderson

At once realistic and yet vividly imagined, Comanche Moon is a giant of an audiobook and the keystone to a mighty achievement of storytelling. An epic adventure full of heroism, tragedy, cruelty, courage, honor and betrayal, Comanche Moon is the culmination of Larry McMurtry's peerless vision of the American West.

If you could sum up Comanche Moon in three words, what would they be? I actually liked the story, Hard to overcome the way you are brought up, hating "savages" and "whites" alike. I am an American Native and not so long ago in 2008 there was actually a woman who referred to us as "savages" in this time and age hard to believe!
