EXAMPLE: Instructed resident to remain on the floor and radioed for assistance from another caregiver. Caregiver John Doe entered the room and I asked him to call 9-1-1. I remained with resident, told her the paramedics would arrive soon.

ResponseThe final step in a "DAR" narrative entry is the "R", which stands for response. How did the resident respond to the actions you took?You may need to enter two responses, one immediately and then another as a follow up.

Professional Caregiver Blog - from CCG » D-A-R Charting

In my experience of DAR charting, the "R" stands for "response" (the client's response to your actions listed under the "A"). The "R" section in your note doesn't sound like a client response -- it sounds like more nursing actions.
