The shark fins have been a part of
traditional Chinese medicine for

centuries. Shark finning is banned in many countries, but the trade is thriving in Hong Kong and China, where the fins are part of shark fin soup, a dish considered a delicacy, and used in some types of traditional Chinese medicine.

Traditional Chinese medicine - Wikipedia

Another theory in traditional Chinese medicine is that vital energy (called "qi" or "chi") flows throughout the body via certain pathways (or "meridians"). According to this theory, disease and other emotional, mental, and physical health problems develop when the flow of qi is blocked, weak, or excessive. Restoring the flow of qi is considered ...

Food as medicine: Getting a

perspective Americans are bombarded with information about "healthy eating," but we suffer from higher rates of obesity and chronic disease than ever before. We are told one year to avoid fat and the next to avoid carbohydrates. It is enough to make anyone distrust nutritional advice altogether, particularly anything that claims that "food is medicine."

Food As Medicine | Taking Charge of Your Health & Wellbeing

Traditional Chinese medicine (TCM) is one of the oldest healing systems. TCM includes herbal medicine, acupuncture, moxibustion, massage, food therapy, and physical exercise, such as shadow boxing. TCM is a fully institutionalised part of Chinese health care and widely used with western medicine.
