Advanced study can take many different paths for each designer. You may become interested in a related field, and then mold your graphic design education to apply to that field. However, every graphic designer will benefit from advanced study and planning. Of course, there's no limit to the depth you can study on any subject of graphic design.

### Teach Yourself Graphic Design: A Self-Study Course Outline

The first section in each workbook will guide you through hand reading yourself. Most players have never written down their own poker ranges, understood how often they CB on certain textures, how often they check instead of barrel, etc... These exercises guide you through your ranges so you can objectively say "OK, this is what I'm currently doing and this is where I'm certainly leaking."
