It features a wide variety of books and magazines every day for your daily fodder, so get to it now!

Kta Cummins Engine History

The Cummins Engine Company was founded in Columbus, Indiana, in 1919 by William Glanton Irwin and Clessie Cummins, a local mechanic. It focused on developing the diesel engine invented 20 years earlier, but in spite of several well publicized endurance trials, it was not until 1933 that their Model H, used in small railroad switchers, proved successful.

Cummins - Wikipedia
