enforceable against employees.

Employment & Labour Laws and Regulations | Mexico | GLI

In Mexico, a contractual employment agreement between the employer and employee arises almost immediately upon the engagement of the employee. The burden of this responsibility for the establishment of a formal contract lies with the employer. This means that even if there is no written contract with your employee, the law will deem one to exist.

Why Mexican Labour Law is Important: Hiring Employees in ...

The Mexican Federal Labour Law (hereinafter the "FLL"), assumes, as a general principle, that an employment agreement has been executed for an indefinite term, unless the nature or the particular type of service to be provided calls for an employment agreement for a specific job or term, or if the parties agree to execute an employment agreement for initial training or subject to a probationary period.
