Networked Life: 20 Questions and Answers by Mung Chiang ...

Networked Life is intended for Electrical Engineering students in their Junior/Senior undergraduate year. I am not the most math minded person and this is a true textbook with detailed information. I received this book as a freebie and thought it was a more lay person's book about questions and answers about the Internet.

Networked Life: 20 Questions and Answers by Mung Chiang

Each one of these 20 chapters deserves many books for a detailed treatment. We only highlight a few key ideas in the span of about 20 pages per chapter and 80 minutes per lecture. There are many other mathematical languages in the study of networks, many other questions about a networked life, and many other types of networks that we do not have
