What is a tort? | ALRC

1. Introduction. Seemingly the central interests that justify having an entry on causation in the law in a philosophy encyclopedia are: to understand just what is the law's concept of causation, if it has one; to see how that concept compares to the concept of causation is use in science and in everyday life; and to examine what reason(s) there are justifying or explaining whatever ...

Causation in the Law (Stanford Encyclopedia of Philosophy)

Administrative Law is concerned primarily with judicial control of the activities of the executive branch of government. The main topics covered are: (1) the grounds on which decisions and rules made by the executive can be challenged in the court - some of these relate to the substance of the decision or rule and others to the procedure by which it was made; (2) the remedies which can be ...

Law and Economics | Internet Encyclopedia of Philosophy

Law is a system of rules created and enforced through social or governmental institutions to regulate behavior, with its precise definition a matter of longstanding debate. It has been variously described as a science and the art of justice. State-enforced laws can be made by a group legislature or by a single legislator, resulting in statutes; by the executive through decrees and regulations ...

Australian Law Journal, The (ALJ)

The second characteristic of law and economics is its emphasis on incentives and people's responses to these incentives. For example, the purpose of damage payments in accident (tort) law is not to compensate injured parties, but rather to provide an incentive for potential injurers to take efficient (cost-justified) precautions to avoid causing the accident.

Criminal law is the body of law that relates to crime. It proscribes conduct perceived as threatening, harmful, or otherwise endangering to the property, health, safety, and moral welfare of people inclusive of one's self. Most criminal law is established by statute, which is to say that the laws are enacted by a legislature. Criminal law includes the punishment and rehabilitation of people who ...
