Pretending To Be Normal

With Pretending to be Normal, a collective sigh of relief was heaved, a burden was lifted and laid down. The puzzle that had perplexed us was given a name, Asperger's, and women on the spectrum found their voice, some of us for the first time.

Amazon.com: Pretending to be Normal: Living with Asperger ...

"Pretending to be Normal" It should be an essential on the reading list of someone who truly wants to understand Asperger's Syndrome. It may be useful to read books written by psychologists and "experts" on the topic, but a study of the syndrome cannot be complete without looking at it through the eyes of a true expert--one who actually has Asperger's.

Pretending to Be Normal: Living with Asperger's Syndrome ...

With Pretending to be Normal, a collective sigh of relief was heaved, a burden was lifted and laid down. The puzzle that had perplexed us was given a name, Asperger's, and women on the spectrum found their voice, some of us for the first time. Rudy Simone. Pretending to be Normal was one of the first books I read about women and Asperger syndrome. It was then and still is the book I always recommend to the female clients I see.

Pretending to be Normal: Living with Asperger's Syndrome ...

Where Aspergirls reads more like an instruction manual interspersed with some anecdotes, Pretending to be Normal are the memoirs of a woman who has Asperger's (although it doesn't become clear if she is officially diagnosed and anecdotes can easily become coloured by the lenses through which they are interpreted). And I liked it.
