### About Revenue Scotland | Revenue Scotland

Responding to an unprecedented challenge like COVID-19 necessitated a total shift in the way schools looked at education. The new paradigm required more communication and flexibility, continuously updated expectations and evaluations, and a communal approach to transmitting core values, as well as age-appropriate content and skills development.

### A lesson learned from the pandemic: Education is a ...

Assessing and responding to suicidal risk is a source of extraordinary stress for many therapists. This part of our work focuses all the troublesome issues that run through this book: questions of the therapist's influence, competence, efficacy, fallibility, over- or under-involvement, responsibility, and ability to make life-or-death decisions.
