See How They Run | James Patterson | download

See How They Run was the 3rd novel to be released by James Patterson. When this book was originally published in 1979 it was called The Jericho Commandment. It was then re-released in 1997 with this revised name.

James Patterson - See How They Run

James Patterson is a great story teller and shocks the heck out of you in the end as always. This is the first book I read by Patterson were the main character isn't a detective. Patterson made you feel what David (the main character) felt and David wanted ultimate revenge on Nazis but in the end David realize revenge is not the best solution ...

The Jericho Commandment book by James Patterson

5.0 out of 5 stars See How They Run By James Patterson. Reviewed in the United States on 4 February 2014. Verified Purchase. One of the most fascinating books I have read in quite a while. I never expected it to be as magnificent as it was. When I first started to read I had no idea what or where the book was taking me, but I wound up on a journey thought history and it made you revisit the war era, to think again of what really happened, and of true sacrifice that was made.
