"Stakeknife" is the code name of a high-level spy who successfully infiltrated the Provisional Irish Republican Army while working for the top-secret Force Research Unit of the British Army. Reports claim that Stakeknife worked for British intelligence for 25 years. Stakeknife has been accused of being a double agent who oversaw the murders of informers within the paramilitary organisation while working for the British. British officials launched Operation Kenova to investigate these claims of s

Stakeknife - Wikipedia
Stakeknife became second-in-command of the IRA's internal security unit, known as the 'Nutting Squad'. Once agent Stakeknife was in place, the IRA effectively had no security. Another important account in the book is of the sadistic agent Brian Nelson, planted by the FRU in the Ulster Defence Association (UDA), moral enemy of the IRA.
