The Birth Of The R

Benny Morris' The Birth of the Palestinian Refugee Problem was published in 1988. Its startling revelations about how and why 700,000 Palestinians left their homes and became refugees during the Arab-Israeli war in 1948 undermined traditional interpretations as to whether they left voluntarily or were expelled as part of a systematic plan. This book represents a revised edition of the earlier ...

Directed by George Nolfi. With Billy Magnussen, Yu Xia, Philip Ng, Jingjing Qu. Set against the backdrop of 1960s San Francisco, BIRTH OF THE DRAGON is a modern take on the classic movies that Bruce Lee was known for. It takes its inspiration from the epic and still controversial showdown between an up-and-coming Bruce Lee and kung fu master Wong Jack Man - a battle that gave birth to a legend.

This book provides a challenging interpretation of the emergence of the common law in Anglo-Norman England, against the background of the general development of legal institutions in Europe. In a detailed discussion of the emergence of the central courts and the common law they administered, the author traces the rise of the writ system and the growth of the jury system in twelfth-century England.
