Instead, the Tommy gun became the weapon of choice for a generation of bootleggers and bank-robbing outlaws, and became a deadly American icon. Following a bloody decade—and eighty years before the mass shootings of our own time—Congress moved to take this weapon off the streets, igniting a national debate about gun control.

### **Tommy: The Gun That Changed America | IndieBound.org**

Every major leap in gun design changes the world around it. As it turns out, those early matchlock muskets gave way to the smoothbore flintlock muskets of colonial-era America. We're talking about the French Charville musket and the British "Brown Bess". These were smoothbore guns firing a 0.69 caliber ball.
