### The Monographs by Ben Cardall - Goodreads

The monograph is surely following in the steps of the academic journal in two respects: moving to a digital first e-book with optional print book; and embracing an open access-like or author services-like publishing model. In 2012, Wiley and Sheridan Press entered a strategic relationship to print journal issues on-demand in response to customer orders rather than in print batches just-in-case ...

### Monographs - an overview | ScienceDirect Topics

A monograph is a specialist work of writing (in contrast to reference works) or exhibition on a single subject or an aspect of a subject, often by a single author or artist, and usually on a scholarly subject.. In library cataloging, monograph has a broader meaning, that of a nonserial publication complete in one volume (book) or a definite number of volumes.
