The Murderer Next Door Why

The Murderer Next Door is a riveting look into the dark underworld of the human psyche—an astonishing exploration of when and why we kill and what might push any one of us over the edge. A leader in the innovative field of evolutionary psychology, Buss conducted an unprecedented set of studies investigating the underlying motives and circumstances of murders, from the bizarre outlier cases of serial killers to those of the friendly next-door neighbor who one day kills his wife.

The Murderer Next Door: Why the Mind Is Designed to Kill ...

`The Murderer Next Door' is an incredibly absorbing and easy-to-read book which explores why people kill. Far from being insane axe-wielding criminals, the majority of people who kill are known to the victim; jealous lovers; step-parents; and sometimes relatives.
