The Swan, more commonly known as The Hatch by the survivors of Flight 815, was an underground facility on the Island built by the DHARMA Initiative during the late 1970s. It was located somewhere in the southwest region of the Island, about a mile inland from the survivors' camp.. The DHARMA Initiative had originally designed the station to be a laboratory to study and manipulate the "unique ...

During the WWII, Churchill had little red labels attached to important documents with the words ‘Action This Day’. It was one of the many ways in which he sought to drive and enthuse those around him. He was always a man of action. As a young man, he sought danger in the army and as a war correspondent. When not on the battlefield, he ...
