Learning letter sounds, how to blend and segment words, and various phonics skills are foundational for early reading. However, there are just some words that can't be sounded out. Sight words are commonly used words that young readers are taught to memorize. Since these words are used in high frequency, students are encouraged to recognize them by sight. Hands-on sight word activities merge ...

We learn about spider vocabulary and how to use a glossary. I give pairs of students a few words that they were to look up in the glossary of a non-fiction book about spiders. They write the definition of a word on a card and illustrate the meaning. To read more about how I teach vocabulary with theme words HERE.

To use his own words, further, he said, "If you give a nigger an inch, he will take an ell. A nigger should know nothing but to obey his master—to do as he is told to do. Learning would spoil the best nigger in the world. Now," said he, "if you teach that nigger (speaking of myself) how to read, there would be no keeping him.

Then there's the senses - smell, sight, sound, touch. My room smells inviting, it's like strawberries mixed with flowers (which smells good). The sight can be sometimes messy, with my clothes everywhere. There's really not much sound in my room at all, it's quiet and if you're lucky you can hear the animals outside.
